## RAISE MONEY WHILE YOU COOK

Put the FUN into fundraising with a Thai-themed dinner party, barbeque or even a picnic!  
This party pack contains everything you need to host a fantastic party and raise money for children at risk in the process.

## PLAN YOUR PARTY

You could host a fancy dinner party, a relaxed daytime barbeque, an afternoon tea party or even a fun alfresco lunch - like a picnic in the park! If a three course dinner is too daunting, then just have a drinks and canapés soirée or a casual garden party with a buffet.

Make a guest list, 10 guests makes for a more intimate event but the more the merrier for a barbeque or buffet.

If you are planning to host a large event for us, then please get in touch and we will help you in any way we can.

## RECIPES

Need inspiration? If you haven't already received your copy head to our website to order your FREE Thai recipe booklet featuring recipes from Rick Stein, the Hairy Bikers, MasterChef Winner Shelina Permalloo and some of the biggest names in contemporary Thai dining.

## ENTERTAINMENT

Why not organise entertainment for your guests, from party games and quizzes to music to create ambience - do something memorable and unique for your guests to enjoy. If you're very clever you could arrange some entertainment that would raise more money!

If one of your guests could offer a product or service then you could hold an auction, or maybe you have a creative friend who could donate a unique piece of their handiwork?

## WIN HANDMADE GIFTS!

Help us to get the message out there and encourage others to fundraise.

Share your fundraising dinner party photos with us on Facebook (make sure to tag us in the post!) and we'll choose the best ones to receive a free gift item handmade at our projects.

We are the largest UK and Irish charity focusing on Thailand, supporting projects across the country and into Burma.

With your help, we provide a home, an education and a future for thousands of vulnerable children in Thailand. We support orphans, children with HIV and AIDS, street children, children with disabilities and migrant children, as well as their mothers and other vulnerable women.

If you contact us we can send you some leaflets to give to your guests to tell them more about our work. The leaflets also include a donation and sponsorship form so your guests have the chance to give more.

Thank you for helping to raise awareness for Thailand's most vulnerable children.

## SEND INVITES

We've created some printable invites for you to send or email to your guests. You'll find two templates in this pack - one completely blank template and another template with spaces for you to fill in.

You can decide how much you want to ask for, but as a guide, people would spend at least €20 on going out to eat, so if you invite just 10 people at €20 a head you'll raise €200 for Thai Children's Trust. It costs just 46 cent to feed a child in Thailand for a day, meaning your €200 could feed 5 children for three whole months!

## YOUR DONATIONS

There is a donation form in this pack for you to fill in.
